

Got Shredding?

Shredding bin overflowing? Boxes of unneeded docs piling up?

Unload it all at our Shredding Truck event:

Tuesday, April 19

11:30 am – 1:30 pm

Cohen Hall Loading Dock (36th St. Walk, in front of Cohen)

Here's your chance to empty your closets and cabinets of unneeded old documents, or to get rid of those boxes that are piling up around your office. Personal documents of any sort are also welcome. Note that this is a paper shredding event only; unfortunately we cannot shred hard drives or other electronic media.

For more information check out yourdata.sas.upenn.edu and look under "upcoming events."

Brought to you by the friendly folks at SAS Computing.
